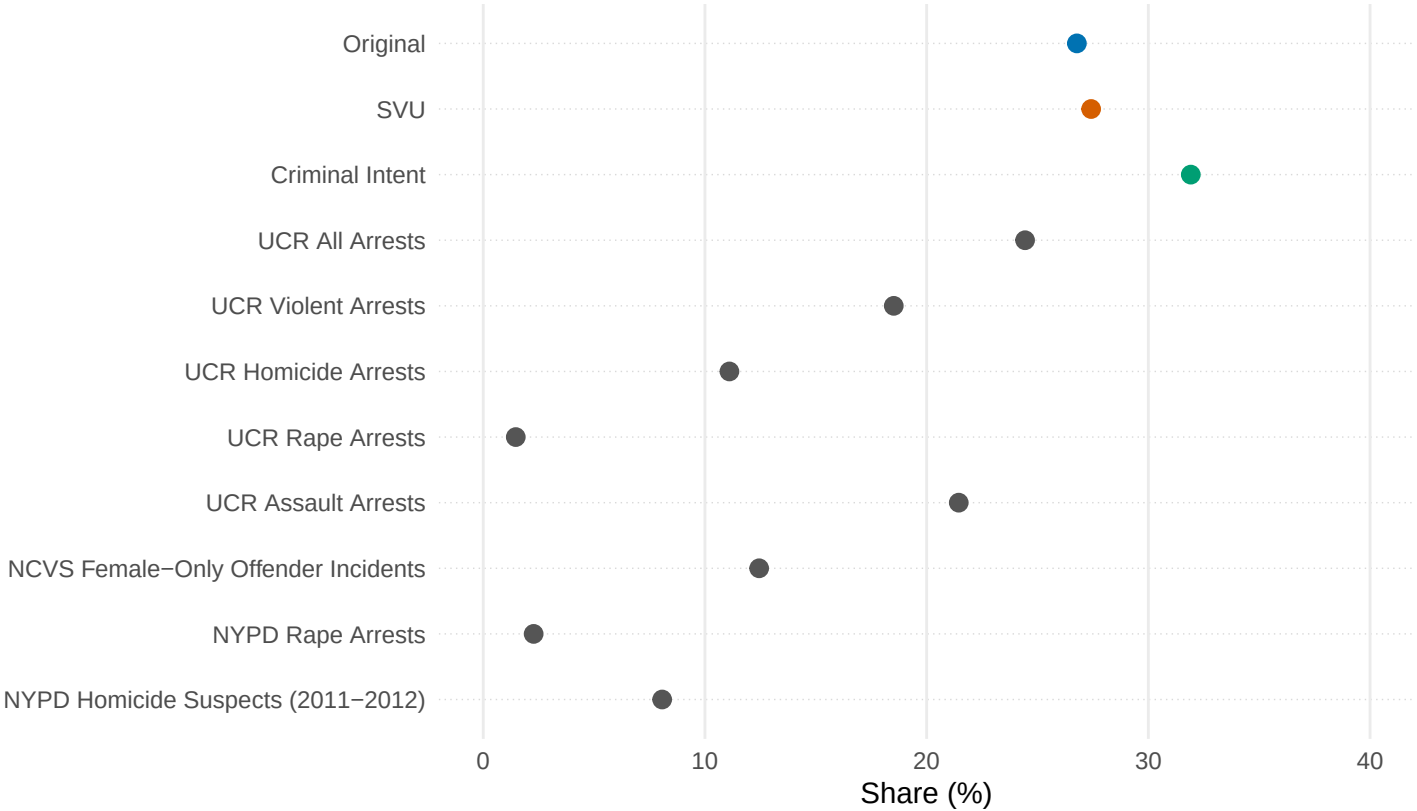
Female criminals



Colored dots pool classified criminal characters. UCR dots pool arrests.
NYPD: rape arrests (2008−2015); known homicide suspects (2011−2012).
Homicide percentages are reconstructed from rounded reports.
NCVS: serious−violence incidents with victim−reported female−only offenders among known−sex incidents (SEs not shown);
mixed−sex groups remain in the denominator.
Each gray reference dot pools available years in which any coded episode aired.
